Patron Grain Statement

Enclosed with this brochure is your patron grain statement. The information on this statement pertains to your grain account as of 2:00 p.m. March 10, 2008. We are sending this information to you in order for you to double check your records to ours. The statement details your grain that is on open storage/delayed Pricing/hold etc. Also included on the statement are the open contracts of grain you have sold through Ludlow Coop for future deliveries or to be applied to your bushels that are in the elevator already. The dates are shown by month and year for the delivery period of the contract in which the grain was sold. For example, if you have sold grain for 2008 harvest delivery the dates are shown as 10/1/08-11/30/08.

GRAIN IN THE ELEVATOR AND OPEN CONTRACTS. When you look at your grain statements the bushels in storage or on delayed pricing are NOT reduced by any existing contracts for future delivery periods. We cannot apply grain sold for a future delivery period until the 1st day of that delivery period. For example, if you put 10,000.00 bushels in storage at harvest and have 5,000.00 bu sold for April your statement as of today will show 10,000.00 bushels storage and an open 5,000.00 bushel April contract.

We are asking that patrons please look over the statements and if you find any errors please contact our Buckley or Ludlow offices immediately! Please do not wait until a later date.

Thank you for your assistance,
Office Staff
